

XCEL ENERGY NATURAL GAS CUSTOMER ONLY?

Don't miss out on savings opportunities for your home too!

Reduce Water Use to Save Energy

Free and discounted water-saving products are available for Xcel Energy gas-only customers with gas water heaters.

Visit the Xcel Energy Store and check out the Water Saving Products:
xcelenergystore.com/collections/water-saving-products.

Heating Rebates

Work with a participating furnace contractor to upgrade to a 95% efficient furnace and receive a \$300 rebate.

For details visit: xcelenergy.com/ResidentialHeating **or call 800-895-4999.**

Water Heating Rebates

Replace your old water heater with a qualifying more efficient version and receive a \$70 rebate for a standard tank heater or \$100 for a tankless water heater.

For details visit: xcelenergy.com/WaterHeater **or call 800-895-4999.**

Air Sealing and Insulation Rebates

Work with a participating contractor to reduce air leakage and improve your home's insulation and receive rebates for qualifying improvements.

For details visit: xcelenergy.com/COInsulation **or call 800-895-4999.**

Select the Right Contractor

Not all of Xcel Energy's programs require you to use a registered contractor, but using an Xcel Energy registered contractor is recommended because they are most likely to have knowledge about available rebate opportunities and processes.

To review the list of Xcel Energy Registered Contractors, visit: xcelenergy.com/cotrades.
