

MARSHALL FIRE REBUILDING REBATES

Xcel Energy is offering one-time incentives for homes impacted in the Marshall Fires. Consider one of the 5 tiers below:

- Energy savings are based on saving estimate over 2018 IECC
- Cost savings are based on comparison existing homes (1980 and newer)
- One home cannot qualify for multiple incentive levels. Incentives will be paid at the highest performance level a home achieves.

2018 IECC		2021 IECC		ENERGY STAR® v3.2		DOE Zero Energy Ready		ENERGY STAR® New Certification		Passive House	
		Xcel Energy Incentives <ul style="list-style-type: none">• Rebuilds: \$7500• New Residents: \$0 Savings <ul style="list-style-type: none">• 8.5% energy savings• 28% utility bill cost savings		Xcel Energy Incentives <ul style="list-style-type: none">• Rebuilds: \$10,000• New Residents: \$1,250 Savings <ul style="list-style-type: none">• 18% energy savings• 32% utility bill cost savings Key Elements <ul style="list-style-type: none">• High efficiency heating and cooling• Advanced air sealing, insulation, windows improve indoor air quality• Protection against moisture damage		Xcel Energy Incentives <ul style="list-style-type: none">• Rebuilds: \$12,500• New Residents: \$2,500 Savings <ul style="list-style-type: none">• 27% energy savings• 33% utility bill cost savings Key Elements <ul style="list-style-type: none">• ENERGY STAR requirements plus advanced technologies• Improved indoor air quality and ventilation• Small rooftop solar system can offset electric use		Xcel Energy Incentives <ul style="list-style-type: none">• Rebuilds: \$17,500• New Residents: \$5,000 Savings <ul style="list-style-type: none">• 18% energy savings• 9% utility bill cost savings Key Elements <ul style="list-style-type: none">• All electric heating & cooking• EV charging		Xcel Energy Incentives <ul style="list-style-type: none">• Rebuilds: \$37,500• New Residents: \$15,000 Savings <ul style="list-style-type: none">• 50% energy savings• 60-80% utility bill cost savings Key Elements <ul style="list-style-type: none">• Lowest energy consumption• Ultra efficient insulation, air sealing & windows• Solar ready
