

# ENERGY SAVING OPPORTUNITIES DON'T MISS OUT

Energy is a complex topic. Understanding how your home uses energy can help you discover where you might be able to save.

## Colorado Average Annual Home Energy Use:

*Source: U.S. Energy Information Administration*

### Heating & Cooling Spaces

- Install shades to keep sun out in summer and cold out in winter
- Weatherize to eliminate leaks 💰
- Install high-efficiency heating and cooling equipment 💰

### Appliances & Electronics

- Manage plug loads with power strips and timers
- Buy ENERGY STAR® appliances and get rid of that old fridge or freezer 💰

### Water Heating

- Set your hot water heater to no higher than 120° F and insulate your hot water pipes
- Install an ENERGY STAR water heater or an electric heat pump water heater 💰

### Lighting

- Turn off lights when leaving a room and use task lighting
- Reduce bulb wattage and switch out old incandescent bulbs for LEDs, which use less energy and last longer 💰

💰 Xcel Energy rebates and incentives available.

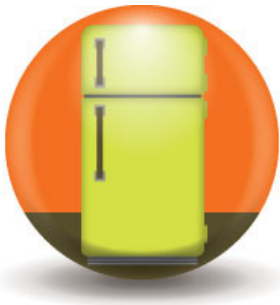

Learn about more rebate opportunities at [XcelEnergy.com/HomeRebates](https://www.xcelenergy.com/homerebates).

## Bring out the Home Energy Squad®

For just \$50 (typically \$75), the Home Energy Squad will come to your home and swap out traditional incandescent light bulbs for LEDs, install a programmable thermostat, weather-strip a drafty door, and install energy-efficient showerheads and aerators and more. Installation, labor, and materials are FREE and valued at \$200!

**Schedule a visit at [XcelEnergy.com/HomeEnergySquad](https://xcelenergy.com/HomeEnergySquad). Use the code **JeffC018** for a \$25 discount when you register.**

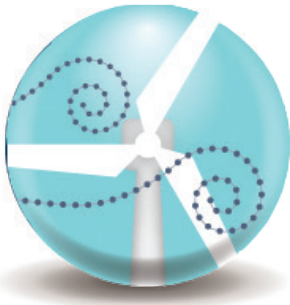

## Earn Money for that Old Fridge or Freezer

Older refrigerators can use twice as much energy as new ENERGY STAR refrigerators. Recycle a still-functioning fridge or freezer and receive a \$50<sup>1</sup> rebate. It will be picked up and recycled responsibly—for free.

**Call 1-866-552-8755 or schedule online at [XcelEnergy.com/Fridge](https://xcelenergy.com/Fridge).**

<sup>1</sup>Participation in this program is subject to important rules and eligibility requirements, including but not limited to certain size requirements and types of units, which are detailed at [xcelenergy.com/Fridge](https://xcelenergy.com/Fridge).

## Find the Renewable Energy Program that's Right for You

Interested in renewable energy, but confused about what options are available? Xcel Energy offers solar and wind programs to meet your needs. If you're an Xcel Energy electricity customer, Solar\*Rewards® or Windsource® may be right for you.

**For questions and more information visit [xcelenergy.com/renewables](https://xcelenergy.com/renewables).**

## Save on Energy Products

Visit the Xcel Energy store for discounts on LEDs, thermostats, power strips, water saving products, and more! There's also helpful buyers guides to help you make the right choice for your home.

**Visiting [XcelEnergyStore.com](https://xcelenergystore.com) before you make your next purchase.**
