

CENTENNIAL'S ENERGY ACTION PLAN

Start Saving on Energy Bills Today!
Learn More at centennialco.gov/energy

Our Energy Vision

The City of Centennial will create a resilient future for its residents and businesses through improved energy efficiency, enhanced connectivity, education, and cost savings.

Our Goals

- Help residents save money through energy efficiency programs and rebates.
- Connect businesses with free and low-cost energy efficiency programs.
- Ensure facilities are running efficiently and taking advantage of rebate opportunities.

Energy Efficiency Opportunities:

Residents

- ✓ Attend an educational workshop to learn about energy efficiency and renewable energy opportunities for your home.
- ✓ Sign up for a visit from the Home Energy Squad®.
- ✓ Learn about Xcel Energy rebate opportunities.

Businesses

- ✓ Look for tailored information about energy rebates for your business type.
- ✓ Sign up for a FREE lighting audit through the Small Business Lighting program.
- ✓ Sign up for an Onsite Energy Audit or Small Building Tune-Up to get started on improving your building's overall efficiency.

Community Facilities

- ✓ Watch for facility audits and improvements that will help save taxpayer money.
