

# Save energy. Save money. Boost your bottom line.

**Rosemount invites you to be a leader in helping to achieve our community's energy goals.**

## **IF YOU ARE NEW TO ENERGY EFFICIENCY AND WONDERING WHERE TO START**

- **Schedule a free energy assessment with Energy Smart**

The Minnesota Chamber of Commerce offers a no-cost consultation where an Energy Smart staff member will walk through the building to take a look at energy consuming equipment and identify potential strategies for reducing energy. Visit [MNenergysmart.com](http://MNenergysmart.com) or call **651-292-3902**.

## **READY FOR A DEEP DIVE AND NEED HELP WITH NEXT STEPS?**

Schedule a full service energy audit with your utility provider to understand how you use energy and discover opportunities for efficiency improvements.

- **Xcel Energy Customers:** Schedule an on-site energy assessment with Xcel Energy's Turn Key Services. Turn Key will also provide free implementation services to help bring your efficiency projects to completion. Visit [xcelenergy.com/TurnKey](http://xcelenergy.com/TurnKey) or call **855-839-8862**.
- **Minnesota Energy Resources Customers:** Minnesota Energy Resources offers two energy audit programs depending on your business' size and energy use—Commercial/Industrial Turn-key Efficiency Program and Energy-saving Audits. Visit [minnesotaenergyresources.com/Business](http://minnesotaenergyresources.com/Business) or call **866-872-0052, option 2**.
- **Dakota Electric Association Customers:** Dakota Electric Association offers free services to help you analyze and manage electricity use. There is also a cost-share audit for a more comprehensive energy use assessment. Visit [dakotaelectric.com/Business](http://dakotaelectric.com/Business) or call **651-463-6243**.
- **CenterPoint Energy Customers:** CenterPoint Energy offers customers a Natural Gas Energy Analysis to help identify opportunities to improve energy efficiency. Customers are also eligible for free direct install natural gas saving measures on-the-spot. Visit [centerpointenergy.com/BusinessRebates](http://centerpointenergy.com/BusinessRebates) or call **612-321-4939**.

## **IF YOU ARE READY TO UPGRADE LIGHTING, HVAC OR REFRIGERATION SYSTEMS**

- **Find a rebate to help with upfront costs**

Utilities offer a variety of rebates to help make the decision to upgrade easier. From LED lighting to heating and cooling or foodservice equipment, it's cost-effective to make your business more energy efficient. Visit [ci.rosemount.mn.us/EnergyRebates](http://ci.rosemount.mn.us/EnergyRebates).

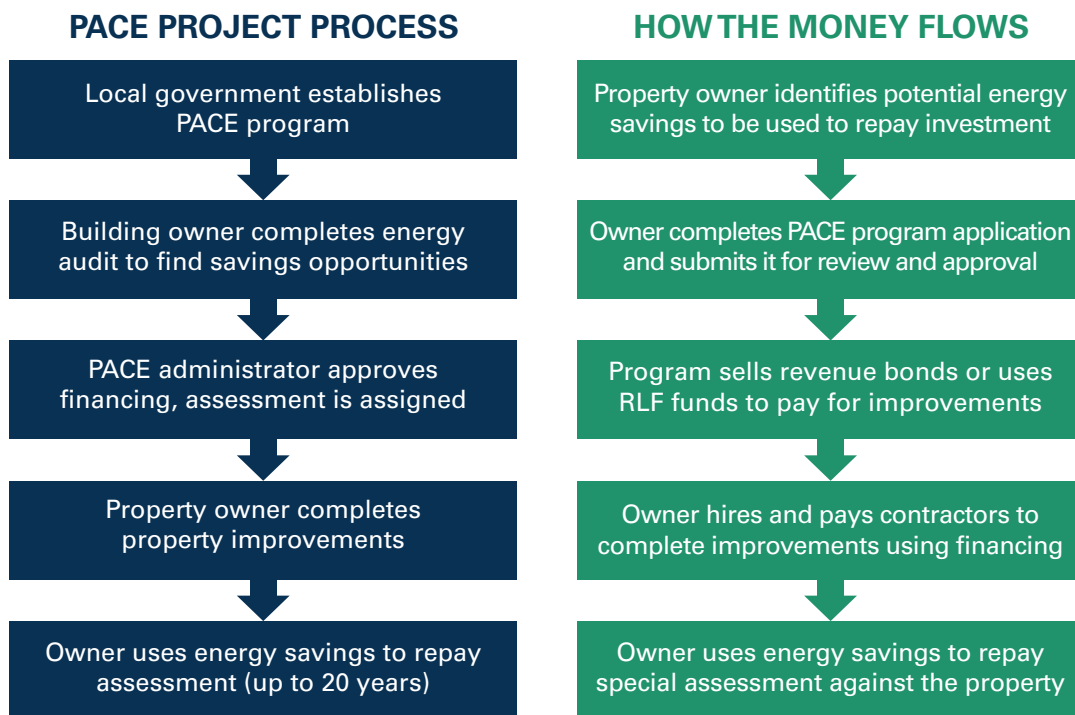

# Energy Financing Options for Business

**Once you have identified one or more energy projects your business would like to pursue, there are many different financing options.**

## PROPERTY ASSESSED CLEAN ENERGY (PACE)

PACE is a new way to finance energy efficiency and renewable energy upgrades for commercial property owners. Project financing is repaid as a separate item on owners' property tax assessment for a set period. PACE eliminates the burden of upfront costs by providing low-cost, long-term financing.

### How does PACE work?

For more information about PACE, visit [mncerts.org/pace](https://mncerts.org/pace) or contact **Peter Lindstrom** with CERTs at [plindstr@umn.edu](mailto:plindstr@umn.edu).

## TRILLION BTU FINANCING

Trillion BTU Financing is offered through a partnership between the Saint Paul Port Authority, Xcel Energy, and the Center for Energy and Environment. **More information is available at [www.sppa.com](http://www.sppa.com).**

## COMMERCIAL ENERGY EFFICIENCY LOAN PROGRAM

Commercial Energy Efficiency Loan Program provides up to \$100,000 in financing to businesses making cost-effective energy efficiency improvements. **More information is available at [www.mnlendingcenter.org](http://www.mnlendingcenter.org).**

Nonprofit organizations interested in making energy upgrades can apply for loans of up to \$25,000 through the Energy Savings Fund for Nonprofits. **More information is available at [www.mnlendingcenter.org](http://www.mnlendingcenter.org).**

**ROSEMOUNT AND XCEL ENERGY ARE PLEASED TO WORK TOGETHER TO ACHIEVE OUR COMMUNITY ENERGY GOALS.**
