Deadline for Applications: April 30, 2025
More details at xcelenergycommunities.com/cec.

Contact Information

Please enter the contact information of the leading applicant.

1. Name

2. Organization

3. Email

4. Address

5. Is your organization or proposed project in an Xcel Energy service area? *

Please refer to the following list: <https://www.xcelenergy.com/staticfiles/xcelresponsive/Energy%20Portfolio/Colorado-Communities-Served-Information-Sheet.pdf> Or these maps for Electric and Gas territories: <https://energyoffice.colorado.gov/current-energy-profile>

☐ Yes

☐ No

☐ Unsure

☐ Other

Network Description

6. Network Name (if already established)

7. Is this a new or existing network?

☐ Yes

☐ No

8. If existing, when was the network founded and how is it primarily funded?

9. Please describe your network including members, service area, and set goals. If you are forming a new network, please share anticipated answers.

10. Please describe the priority workforce gaps and needs the network is trying to address.

11. Please describe how your network positively impacts individuals working or pursuing careers related to HVAC, insulation and air sealing, and/or energy auditing.

12. Please share any available demographics for your region and/or the priority workers your network is trying to support.

13. Please provide any existing information on the current training landscape for residential efficiency and electrification within your network.

14. Is your organization involved in or active in any other Xcel Energy programs or initiatives? If so, please list them.

Use of Clean Energy Career Services

15. What support services are you requesting and how would they be used to increase your impact (e.g., facilitation, marketing, analyses, development of action plan)?

16. Who will be the main point of contact interfacing with Clean Energy Careers?

17. Share who will be signing the MOU on behalf of your network and describe any formal approval processes needed for the MOU.

18. Are there other offerings within the Clean Energy Careers program that your network would be seeking to leverage (reference xcelenergycommunities.com/clean-energy-careers for list of offerings)?
